

on-scene decon cloths

Bullard Cares About You

Protection against the toxins you don't see...Bullard Decon Cloths are formulated with the latest CDC-based decontamination science to remove potentially cancer-causing chemicals.

Cancer Facts:

- Cancer is the number 1 killer of firefighters*
- Cancer caused 70% of firefighters' deaths in 2016*
- Firefighters have a 9% higher risk of developing cancer than the general U.S. population**
- Firefighters have a 14% greater risk of dying from cancer than the general U.S. population**

Bullard Decon Cloths Protection:

- Uses the latest CDC-based decontamination science that sweeps away heavy metals like hexavalent chromium, lead, and other toxins from the skin
- Extra-large (10"x15") cloth lets firefighters and first responders cleanse away toxins for an all over body clean
- Cloths are biodegradable, paraben free, latex free, and alcohol free
- Designed strong and won't tear to withstand the demands of firefighting
- Carries a 5-year shelf life and is proudly Made in the USA

*International Association of Fire Fighters (IAFF)

**National Institute for Occupational Safety and Health (NIOSH)

We proudly support the Firefighter Cancer Support Network with a portion of the proceeds from every Decon Cloths purchase.
